

CAPE Landscape Initiatives Knowledge Exchange 2010

Private conservation as an economics / business decision

Wednesday 24 November 2010		
12h30	LUNCH	
13h00	Welcome: Sakkie du Toit, Slanghoek Mountain Resort; Martin Albertus, Cape Winelands DM	
13h05	Facilitator: Caroline Petersen	Aims and expectations of the workshop
13h15	Input: Kerry Purnell	Setting the scene: biodiversity stewardship tools and progress, maps identifying land of high biodiversity value, experiences around what drives people
14h15	Facilitator: Marilyn Martin Presentations from each landscape initiative (15 min each)	Topic: Main land uses in the region, impacts on biodiversity, economic drivers of land use change, including significant conflicts and problems
15h45	TEA	
16h15	Presentations from each landscape initiative contd.	
17h00	Facilitator: Caroline Petersen	Group discussion
17h30	Facilitator: Jaco Venter	Discussion on CapeNature corridor policy and implementation strategy
18h00	SUPPER	
Thursday 25 November 2010		
08h00	Facilitator: Beatrice Conradie	Introduction to aims of session: The economic way of thinking
08h00	Input: Tony Leiman	Everything in economics is about opportunity cost, and the rest is just commentary: A basic intro to cost-benefit analysis
09h15	Input: Beatrice Conradie	Understanding demand for land
10h00	Inputs: Sakkie du Toit Garth Mortimer	A farmer's viewpoint: Development plans for the farm, reconciling growth and conservation A conservationist's viewpoint: Reconciling competing demands in the Upper Breede and particularly the Slanghoek Valley

10h30	TEA	
11h00	Input: Maria Garcia	Cost benefit analysis from society's point of view: A travel cost model of tourism value on the Agulhas Plain
12h00	Input: Tracey Cumming Also inputs from Baviaanskloof, Cederberg, Agulhas studies	A basic introduction to environmental valuation and Payments for Ecosystems Services, reflections on (limited) potential for generating income from the land through PES in the fynbos, including carbon and water
13h00	PACKED LUNCH	
13h00	Facilitator: Rudolph Roscher / Garth Mortimer	Walk through fynbos to waterfall site at Slanghoek Mountain Resort
17h00	Input: Beatrice Conradie	Understanding landowner motivation around conservation on the Agulhas Plain
18h00	BRAAI	
Friday 26 November		
08h00	Facilitator: Tony Leiman	
	Small groups: Applying all we have discussed – what are the main determinants of current and future land use in our landscape, and how should this influence the way we work?	
09h30	Facilitator: Azisa Parker	Way forward: <ul style="list-style-type: none"> • General small group feedback • Report back on developments since last year on institutional and financial sustainability • Proposed mechanism for coordination of Biosphere Reserves
10h30	TEA	
10h45	Facilitator: Marilyn Martin	<ul style="list-style-type: none"> • Caroline Gelderblom: Emerging themes for the lessons learnt paper on landscape and corridor initiatives • Next LIKE topic and location • Other matters
12h45	Facilitator: Azisa Parker	Evaluation and closure
13h00	LUNCH
